Description

AFI VOKOVICE is an administrative complex from the workshop of the architectural studio of DAM architects. These are two buildings with six and eight floors above ground with a total rentable area of almost 14,000 m². They offer, in addition to office space, also retail units and storage space. Parking is provided by underground garages with a capacity of 285 parking spaces. AFI VOKOVICE offers highly variable solutions for demanding tenants who are looking for modern office space using the latest technologies, original architecture and especially an attractive location within easy reach of the city centre and the international airport. The individual floors can be rented as a whole, i.e. 1840 m² for building A and 490 m² for building B, or they can be divided into smaller units from 200 m².
