Description

The modern BBP OFFICES administrative complex consists of 4 buildings (A, B, C and D), which provide variable spaces for large areas or individual offices, which can be used simultaneously by one or more tenants. A lot of parking spaces for tenants, visitors and the public can be taken for a big advantage. Sufficient capacity of parking spaces is provided under the buildings. In addition, a large-capacity car park for visitors and the public has been built in the complex. The new BBP OFFICES infrastructure is a prerequisite for quality services related to the operation of offices. A large number of telephone lines, a backup generator and other modern technologies are a matter of course at BBP OFFICES.
