Description

With its 109 meters, CITY TOWER is one of the tallest buildings in the Czech Republic, as well as one of the main landmarks of the city of Prague. Without exaggeration, the slogan "see and be seen" applies to this building. The building was completed in 2008 and it offers the highest technical and design standards with an emphasis on safety and functional connections throughout the building. The typical floor allows very flexible use of space and offers a total of up to 1,800 m² of first-class office space. However, each floor can be divided among several tenants with independent entrance for each of them.
