Description

The Diamond Point office building is located between Wilsonova and Ke Štvanici streets, opposite the Hilton hotel, which ensures excellent visibility. The Diamond Point project offers over 18,000 m² of

top-class A offices and 650 m² of retail space. A typical floor of a building allows a variable arrangement of offices, whether open space or separate offices. 4 underground floors offer 240 parking spaces and more than 1,300 m² of storage space. Another advantage is the possibility of parking for visitors and cyclists. The exterior and interior correspond to the highest architectural and technical level, while the building boasts unique design receptions by world-class architect Bořek Šípek. Directly in the building there is a stylish café and restaurant. The terraces on the upper floors are an exceptional architectural element which provides its tenants with a pleasant place to relax and a unique view of the Old Town, Hradčany and the Vltava river.
