## Description

Holešovice is the most popular district in Prague for well-established companies and start-ups. In the heart of the raw building there lies an oasis of peace that will make you feel good. Why here? WE CAN DO A GOOD JOB! We offer an alternative to open-spaces without creativity. Feel good, feel like at home and feel calm like in a Zen garden. Bring your favorite cactus, slippers and even pajamas, make friends and enjoy day and night with us.
