Description

Masaryčka will be a lively place all day, for every day of the week and in every season. It will be a place to work, spend free time, meet friends and relax. Masaryčka expands the offer of services, shops and leisure activities for everyone and at the same time offers a new standard of working environment in iconic architecture. The close proximity of Prague's Old Town, the fact that the project is part of a transport hub (railways, metro, trams, proximity to the internal highway, future connections with Václav Havel Airport), makes the Masaryčka a unique business place with a constant flow of local population and expected increase in tourism and business. Masaryčka also connects the popular districts of Karlín and Žižkov with the historical centre of Prague.
