Description

Opatov Park is a modern, eco-friendly office building built just a few steps from the metro station C - Opatov and easily accessible from the city highway or the D1 motorway. The building meets the highest requirements for office space and a canteen has been set up in the building for the greater comfort of tenants. The office building was completed in 2009 and offers modern category A premises with a total administrative area of 13,504 m².

The building consists of two wings that enclose the atrium. Both wings are interconnected by a glass hall with connecting footbridges and an entrance reception. The building offers office, service, storage space, as well as a canteen and cafeteria. There are 218 parking spaces in the underground.
