Description

The Oregon House office building has been designed to provide tenants and their clients with a comfortable place to work. The building is interesting at first sight and functional at the same time. It thus meets the high demands of clients. Oregon House is an attractive building with a strategic location and is therefore a natural choice for modern-minded companies. It is located in the increasingly popular area of Zličín, which is within reach of the airport and the very centre of Prague. Oregon House benefits from a strategic location with ideal access to the international airport, the city centre by metro, the Central Bohemian region by bus, but also by car. It is only 5 minutes away from Prague's Ruzyně Airport. The metro station is located in the immediate vicinity of the building. Opposite the building is the Zličín Metropole - one of the most popular shopping centres in Prague.
