Description

Ponávka is a modern and innovative multifunctional complex in the centre of Brno. Thanks to its unique combination of different types of premises, civic amenities and the naturally formed

environment of the campus, the former industrial area from the 19th century is transformed into a first-class business destination of the 21st century. These offices for rent near the historic centre of Brno are easily accessible by public transport. The main train station, the main bus station and the Vaňkovka shopping gallery are within walking distance. A 5-minute drive from the D1 and D2 motorways ensures great accessibility by car.
