Description

Do you hate working from home or cafés and is your own office unnecessarily expensive? Do you like meeting new people? Do you like the idea of sharing? So you've come to the right place.

In September 2020, we opened a new shared office or coworking in Riegrova 51 street. The R51 is ideal for all freelancers or those who work "remotely". It will also be appreciated by mothers whom we look after their children once a week.
