Description

Špork Palace is located in the centre of Prague, near the Powder Tower and the Municipal House. The

building connects Hybernská and V Celnici streets, but remains pleasantly away from the tourist traffic. The Hybernská Street is connected to the Na Příkopě pedestrian zone and, together with it, to an area where you will find a number of great restaurants, cafés, shops and shopping centres. Around the corner of the palace there is the Náměstí Republiky metro station, a tram stop and Masaryk railway station, which enables a smooth connection with the widest area of Prague. An easy car accessibility and direct connection to the Prague City Ring Road is a big advantage.
