Description

Titanium is a state-of-the-art complex of office buildings creating a top working environment connected by a unique relaxation zone with a touch of nature in the middle of the centre of Brno. Together with the excellent connection to the motorway network and convenient parking, it represents the fulfilment of even the most demanding requirements. The uniqueness of the project lies in its consistent focus on comfort, convenience and overall satisfaction of users of the complex. The basis for services designed in this way is the provision of Services with a manager. All service for users is provided by the centre manager with a very personal approach, who is permanently present in the complex. Its constant attention and immediate response to the wishes of users creates an unusual comfort of the hotel type.
