Description

The high-rise building Tokovo is located in Jankovcova Street and, with its 17 floors it represents one of the dominants of the Prague 7 district. It offers excellent visibility and at the same time a beautiful view of Prague and the Vltava River. It is located near the metro stations C - Vltavská and B - Palmovka on the banks of the Vltava by the Libeň Bridge. The location is well equipped.

The building from the 1970s underwent an expensive renovation in 2004 and can offer high-quality Class A office space. The advantage is the possibility of renting storage space in the basement of the building and plenty of covered and outdoor parking spaces.
